The staff recommendation for this docket was originally filed on January 24, 2002 for the February 5, 2002 agenda. It was deferred by the Commission pending the outcome of Docket 020006-WS. Since 020006-WS has now been protested, staff would like to put the original recommendation (Document No. 00864-02) for Docket No. 011189-WS on the August 20, 2002 agenda. There are no changes to the staff recommendation that was filed on January 24, 2002.
