Dear Ms. Bayo:

I appreciate your timely response to my request for extension of the implementation date for disconnection of the (#) NXX codes until December, 2003. I have been informed by your legal staff that it has been given Docket # 020744-TP for consideration by the Commission.

We have been in contact with members of your staff and understand that the docketed item is a result of our single inquiry. If that is the case, we would respectfully request that Docket# 020744-TP be removed from the agenda as our major issues and concerns have been resolved. We were able to secure the necessary 800 numbers in time to meet the date imposed by BellSouth for publication of the various phone directories.

Your support and consideration in this matter is greatly appreciated.

Sincerely,

Robert Weisman  
County Administrator
