Concise explanation, justification or comments (attach additional sheet if necessary):

Mr. Abbott and Mr. Pakola have advised staff by telephone that a group of customers wish to address the Commission on this SARC and are planning to drive up from Ocala (about a three-hour drive one way) on the day of the Agenda and drive back that same day. Therefore, they request that the item be taken up as close to 10:30 a.m. as possible, but not before that time. To accomodate the customers and to insure that they do not have to depart too early or return too late, staff believes that this request should be granted, and recommends that Item 13 be taken up as close as possible to 10:30 a.m., but not before that time.
