Kay, I already have Docket 020568-TX pending for cancellation for nonpayment of RAFs. I just was notified that Docket 020846-TX was established as a request for cancellation, which is a voluntary cancellation. Whoever opened that docket (020568) should close it since the company should not be granted a voluntary cancellation. Please document the company's letter in my docket (020568). Thanks.
