RE: Docket No. 020849-TS - Request by Cypress Communications, Inc. d/b/a Cypress Communications of South Florida, Inc. for transfer of STS Certificate No. 7449 to Cypress Communications Operating Company, Inc.

I have been advised by staff that this docket was opened in error and should be closed. Document No. 08013-02, filed July 31, 2002, was actually responsive to staff's request for additional information related to Docket No. 020649-TS, though the filing itself gave no indication it was related to the existing docket.

Please close Docket No. 020849-TS. Document No. 08013-02 will be moved to Docket No. 020649-TS.
