RE: Letter to Extend the Statutory Time

Dear Ms. Moniz:

This letter is a request to waive the statutory time limits to allow the Public Service Commission (PSC) sufficient time to evaluate data on the monthly meter readings furnished by the Woodlands. Currently the PSC staff must have their recommendation ready by August 22nd to have the proposed rates heard at the September 3rd Commission meeting.

Per our phone conversation on August 1st, it is my understanding that granting this request will allow the PSC the time necessary to complete their evaluation and present their findings to the Commission for the October meeting.

Please notify me with the new schedule for this rate case. I am requesting a copy of the staff's recommendations for our review prior to submission to the Commission.

Sincerely,

John H. Lovelette
Real Estate Projects Manager
