The title for this docket should be:

"Request for approval of amendment to interconnection, unbundling, and resale agreement between BellSouth Telecommunications, Inc. and Knology of Florida, Inc."

The change occurred in BST letter dated 8/8/2002 and removed the word "collocation". In addition, the initial and subsequent letters from BST never use the term "existing" and I do not believe it is necessary to include it in the Docket Title. I believe that use of the phrase "amendment to" is sufficient to indicate there is an existing agreement.

If you agree with the above, I will notify Hong Wang to make a change in the docket title.

Thanks a lot.
