Re: Covad Response to Year 2002 Local Competition Report Data Request

Dear Ms. Bass:

I have just been informed that a revised version of FCC Form 477 was filed with the FCC. I attached the original version of the form to Covad's Response to the Year 2002 Local Competition Report Data Request that you received last week. I am enclosing the following REVISED documents which are to be substituted in Covad's Local Competition Report:

- Two (2) PUBLIC versions (with confidential data blocked) of the Revised FCC Form 477
- One (1) CONFIDENTIAL version (with confidential data highlighted in yellow) of the Revised FCC Form 477

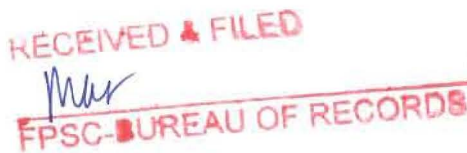

Covad requests that the highlighted information in the CONFIDENTIAL version be kept strictly confidential pursuant to section 364.183(1) of the Florida Statutes because it is proprietary, confidential business information.

Please remove the original FCC 477 forms attached to the Local Competition Report that you received from Covad last week and substitute the enclosed REVISED forms. If you have any questions, please feel free to call me at the number shown above.

Thank you for your attention to this matter.

Sincerely,

Jayna L. Bell
