RE: Docket No. 020007-EI - Environmental Cost Recovery Clause

VIA FACSIMILE

There will be a teleconference on August 23, 2002, to discuss FP&L's Pipeline Integrity Management Program. FP&L requests that the costs of this program be recovered through the Environmental Cost Recovery Clause. Staff has questions about the scope of the project. The teleconference will start at 9:00 a.m. To participate, please call (850) 921-2470. The confirmation number is 30N0816.

If you have any questions, please call me at (850) 413-6230.
