(Continued from previous page)

ISSUE 2: Should the Commission continue to receive and process complaints filed by Anthony E. Parks or filed by others where staff has a reasonable belief that the complaint has been filed by Mr. Parks or on his behalf?

RECOMMENDATION: No. Staff recommends that the Commission no longer receive or process any complaints regarding any industry that the Commission regulates that involve Mr. Anthony E. Parks or others filing on his behalf unless Mr. Parks submits his complaint in writing and it is signed by a member of the Florida Bar, in good standing, indicating the attorney's Florida Bar number and who certifies that the complaint is not frivolous. Staff also recommends that all outstanding complaints involving Mr. Parks be closed. Further, staff recommends that the Commission grant staff administrative authority to close any future complaints involving Mr. Parks that fail to meet the above described criteria without further action of the Commission.

APPROVED

The Commission's original decision was reconsidered and subsequently reapproved. Chairman Faber and Commissioner Bradley dissented

ISSUE 3: Should this docket be closed?
