Concise explanation, justification or comments (attach additional sheet if necessary):

Teresa Badillo, one of the complaining customers in this docket, called on behalf of the customers to request that this item be deferred to a subsequent agenda. Ms. Badillo indicated that due to scheduling conflicts, the customers would have much difficulty participating at the September 3, 2002, Agenda Conference, even by phone. Ms. Badillo requested that this item be deferred to the next Agenda Conference. Because it is staff's understanding that the next Agenda Conference, scheduled for October 1, 2002, will likely be very "full" with numerous items, staff asked Ms. Badillo if deferral until the October 15, 2002, Agenda Conference would be acceptable. She indicated that it would be acceptable. There is no statutory time frame for resolution of the matter at issue, which is a motion to dismiss the customers' request for hearing.
