ISSUE 3: Should these dockets be closed?

RECOMMENDATION: The Order issued from this recommendation will become final upon issuance of a Consummating Order, unless a person whose substantial interests are affected by the Commission's decision files a protest within 21 days of the issuance of the Proposed Agency Action Order. The dockets should then be closed upon receipt of the penalties, fees, and required information or cancellation of each company's respective certificate. A protest in one docket should not prevent the action in a separate docket from becoming final.
