Re: Docket No. 020319-TX

Dear Ms. Thompson:

This Commission has received your company's application for an Alternative Local Exchange Service (ALEC) certificate. A review of the application revealed that in Question 15 you neglected to mention the relationship of a director with other previously certificated companies. In Section 2 of your Price List instead of writing your company's regulations, you simply left in the instructions provided in the Price List example.

In April, May and July, I called your company's number listed in the application and left a message requesting that you return my call to discuss the errors. Today I called and got a recording that the number was no longer in service.

Staff cannot recommend certification at this time due to questions relating to the application and Price List. If we do not hear from you by September 16, 2002, we will assume you no longer want to pursue certification and we will recommend that the certificate be denied, the application fee be forfeited, and the docket closed. Please contact me at 850-413-6127.

Sincerely,

Nancy Pruitt
