Dear Mr. Fetzer:

D251

SEP 06 2002

As part of my job duties, I establish dockets to collect payment of the Regulatory Assessment Fees owed by certificated telecommunication companies. In reconciling the active certificates with the certificate holders that have not paid the Regulatory Assessment Fee, I found that payment of the 2001 Regulatory Assessment Fee has not been received from Florida River Packing, Inc.

According to our records, the company's certificate became active December 11, 2001. As information, if a certificate is active for any one day during a calendar year, the Regulatory Assessment Fee is applicable for that year. Enclosed are pages 8-10 of the company's application, which states that a minimum \$50 Regulatory Assessment Fee is due each year and a copy of the Commission's Order granting the certificate, which states on page 2 that the Regulatory Assessment Fee is due each year.

Rule 25-4.0161(7)(d), Florida Administrative Code, provides that failure to receive a form by a telecommunications company shall not excuse it from its obligation to pay the fee timely. However, I have checked our records and found that the Commission did not mail your company a form. Therefore, before establishing a docket to fine Florida River Packing, Inc. for nonpayment of the fee, I am enclosing the 2001 Regulatory Assessment Fee return form to allow the company an opportunity to pay the Regulatory Assessment Fee.

If payment is postmarked by August 28, 2002, the total due is \$66.00 (\$50.00 fee, \$12.50 penalty, and \$3.50 interest). If payment is postmarked between August 29 and September 27, 2002 the interest increases to \$4.00, or a total due of \$66.50.

Please review this information and respond by September 12, 2002. If payment is not received by September 12<sup>th</sup>, I will have no choice but to establish the enforcement docket.
