Dear Ms. Gervasi:

Attached please find Aloha Utilities, Inc.'s response to Staff's Data Request dated August 27, 2002. The people listed separately on your August 27th letter who appear to be private individuals are actually very small commercial developers who usually initiate water and wastewater service in their own name prior to the sale of the commercial building(s) to others.

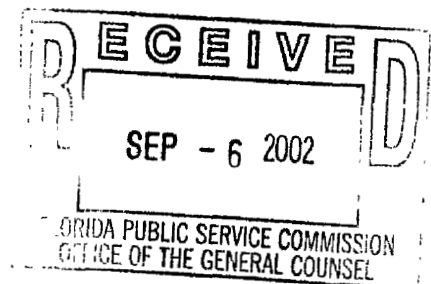

Should you have any questions or need any additional information please contact me.

Very truly yours,
