In re: Petition of City of Bartow, Florida,
Regarding a Territorial Dispute with Tampa
Electric Company, Polk County, Florida.

DOCKET No. 011333-EU
Filed: _____

STATUS REPORT

Petitioner, the City of Bartow, Florida, by and through its undersigned attorneys and in compliance with the order of the Florida Public Service Commission dated July 12, 2002, submits the following status report:

1. On July 12, 2002, the Florida Public Service Commission ("Commission") granted the City of Bartow's ("Bartow") motion for continuance.

2. On page 5 of that order, the Commission requested that Bartow file a status report on configuration of the Old Florida Plantation and indicated that Bartow is not precluded from filing both a status report and a revised petition by September 16, 2002.

3. Bartow has obtained a stipulation signed by the parties dated August 2, 2002, and filed in proceeding in the Circuit Court of the Tenth Judicial Circuit, in and for Polk County, Florida, that establishes a new trial date of November 18, 2002. A copy of that stipulation is attached hereto as Exhibit A. Also attached as Exhibit B is a copy of an order of the court establishing the November trial date. The configuration of the Old Florida Plantation should be known by that time.
