RE: Gistro, Inc.

Dear Mr. and Mrs. Kyle:

In followup to our prior letter regarding disconnection of your sewer service, please be advised that we are in discussions with Bonita Springs Utilities and are willing to offer another 30-day extension. However, in the meantime you need to seek your remedies against the parties you feel responsible for the failure to disclose that these connections were done illegally and without the authority of my client Gistro, Inc.

If you have any questions or comments, please have your attorney contact my office.

Sincerely yours,

Robert B. Burandt
