Re: IDT America, Corp. Application for a Certificate of Local Authority to Operate as a Reseller and Facilities Based Carrier of Telecommunications Services Throughout the State of Florida
Docket No. _____

Dear Ms. Bayo:

I have enclosed an original and seven (7) copies of the above listed filing on behalf of IDT America, Corp. ("IDT") as well as a filing fee of \$250.00. Please date-stamp the copy and return the additional copy (without attachments) to me in the enclosed self-addressed, stamped envelope.

IDT is presently authorized to provide resold interexchange service within the State of Florida.¹ IDT seeks authorization to provide all forms of local exchange service so that it may provide a broader range of services to its existing interexchange subscribers as well as new subscribers. Approval of this Application will increase competition for local telecommunications service within the State of Florida and, as such, benefit all Florida residents. In order to permit Florida residents to benefit from increased local exchange service competition, IDT respectfully requests that the Commission review and approve this Application on an expedited basis.
