Re: Docket No. 020907-WS; Application of Lake Utility Services, Inc. for an amendment to its service area in Lake County, Florida

Dear Mr. Friedman:

This filing has been reviewed for compliance with Rule 25-30.036, Florida Administrative Code, and no deficiencies are found.

The staff already has the original certificates nos. 534-W and 465-S in hand from Lake Groves Utilities Inc., as filed in Docket No. 020695-WS (the name change from Lake Groves to Lake Utility Services, Inc.). Since Lake Utility Services, Inc. cannot locate its certificate no. 496-W, the Commission will issue a replacement 496-W when the name change and the amendment in Docket No. 020907-WS are completed.

As you know, numerous protests have been received by the Commission in Docket No. 020907-WS concerning the amendment proposed by Lake Utility Services, Inc. Our staff counsel will be contacting you to discuss the processing of this case.

Sincerely, Munden
