Re: Docket No. 020745-SU; Application of Island Environmental Utility, Inc., for
Original Certificate
Our File No.: 37025.01

Dear Ms. Bayo:

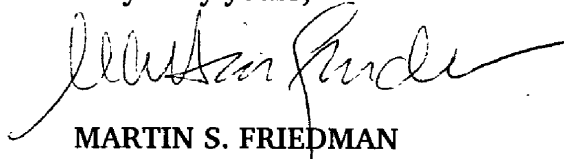

This letter is to correct an inaccuracy in my September 20, 2002, correspondence to you regarding the above-referenced docket. Specifically, paragraph number 6 should read as follows:

There is no question but that a portion of the territory sought to be certificated by Island Environmental Utility, Inc., for wastewater service includes that in which Bocilla Utilities, Inc., has a certificate to provide water service. However, since Bocilla Utilities, Inc., has no certificate to provide wastewater service, nor does it have any facilities to provide wastewater service, Island Environmental Utility, Inc., is best suited to provide sewer service within the Bocilla Utilities, Inc.'s water service area.
