SEAN J. FINNERTY

EXPERIENCE

COMPETITIVE POWER VENTURES, Braintree, MA 2000 – present
Fast moving, innovative developer of merchant power generation
Vice President, Development. Team leader overseeing the full development of merchant combined cycle generating facilities developed in the southeastern United States. Accountability includes site selection, contract negotiation, regulatory permitting, and debt/equity financing. Principal manager for the development of the following projects:
244 MW CPV Gulfcoast Project, Manatee County, FL
816 MW CPV Smyth Project, Saltville, VA

Oversaw development activities for the following projects;
244 MW CPV Atlantic Project, City of Port St. Lucie, FL
244 MW CPV Pierce Project, Polk County, FL

PG&E NATIONAL ENERGY GROUP, Boston, MA 1996 – 2000
National leader in independent power generation, an affiliate of PG&E Corp.
Manager, Project Development. Project Manager for the 550 MW Okeechobee Generating project in Okeechobee, FL. Hands on leader for site selection, market development, permitting, and fuel transportation procurement. Additional responsibilities include participation in nationwide asset acquisition program. Provided strategic management and regulatory guidance on the following projects:
360 MW Millennium Power, Charlton, MA
800 MW Lake Road Generating, Killingly, CT
500 MW Brayton V expansion, Somerset, MA
612 MW Salem Harbor re-powering, Salem, MA

Manager, Government Affairs. Regional manager overseeing the development and implementation of an integrated government and public affairs program. Principal lobbyist, negotiator, and regulatory liaison during the restructuring of the electric industry in New England. Provided key strategic direction and negotiation during the nation's first multi-state asset divestiture and acquisition. Promoted to Manager, Project Development in Fall, 1998.

SENATE POST AUDIT & OVERSIGHT BUREAU, Boston, MA 1993 – 1996
Investigative branch of the Massachusetts State Senate.
Senior Regulatory Analyst. Lead research and reporting of state regulatory policy implementation regarding the electric power industry. Instrumental in initiating regional policy debate on the restructuring of the electric industry. Authored several reports on the electric power industry.

MASSACHUSETTS STATE SENATE, Boston, MA 1991 – 1993
Office of the Chairman, Bills in Third Reading
Legislative Aide. Chief energy and environmental policy aide to the Chairman of a Senate committee. Made legislative recommendations regarding energy and environmental legislation. Interfaced with local business leaders to promote regional economic development.
