Re: Filing Developer Agreement on behalf of Southlake Utilities, Inc.

Dear Ms. Bayo:

Pursuant to Rule 25-30.550, Florida Administrative Code, OTH Consultants, LLC, on behalf of Southlake Utilities, Inc. ("Southlake"), hereby files with the Florida Public Service Commission ("Commission") the following developer agreement:

BP Products North America, Inc.

BP Products North America, Inc. has reserved 4.25 ERC's or 0.001488 MGD for water capacity and 4.96 ERC's or 0.001488 MGD for wastewater capacity.

Southlake Water Treatment Plant has a capacity of 1.072 MGD and the current 3 month average daily flow is 0.840 MGD. Southlake Wastewater Treatment Plant has a capacity of 0.600 MGD and the current 3 month average daily flow is 0.242.

Southlake has filed a replacement tariff with the Commission. Unlike its previous tariff, the new tariff does not include a standard developer agreement in the service availability policy section of the tariff. The enclosed developer agreement is not based upon the old developer agreement, but upon the replacement tariff and the Commission's orders changing Southlake's service availability charges, including changes to plant capacity charges and Allowance for Funds Prudently Invested Charges.

Please call me at (352) 636-8072 if you have any questions.

Sincerely,

Randall W. Corbin
New Business Manager
OTH Consultants, LLC for Southlake Utilities, Inc.
