RE: "Doing Business" in Florida

Dear Ms. Fondo:

Cannon Telephone Company deliberately allowed its registration with the Florida Department of State to expire.

Despite promises made to us by local and state officials prior to obtaining operating authority, Cannon never had a cent of revenue from its registration in Florida.

It is our intention to have our operating authority in Florida terminated by your office. Please advise if you need a more formal pleading or if this letter will suffice.

Sincerely,

Dan Cutrer  
General Legal Counsel  
Corporate Secretary

Good morning. I received a letter requesting cancellation of this company's certificate. The company was called Friday, 8/23, and we were told a check for \$50 would be mailed for the 2002 RAF. Can you please let me know when it is received so that I can go forward with the cancellation? Hopefully, it will be received this week. Thanks.
