RE: Name Change for Brendenwood Water System -Certificate #339-W in Lake County
Additional Information for Application Previously Mailed

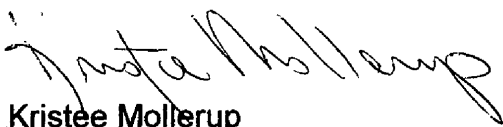

Dear Representative:

We recently applied for a name change with Public Service Commission. The Docket No. is 020996-WU dated 9j/19/2002.

At that time we were unable to locate the current water certificate and filed for the name change without the document. We have now found the certificate and enclosed it. We contacted Cheryl Johnson, the OPR Staff assigned to this case, and advised her that we would be forwarding the certificate to you.

Thank you.

Sincerely,
