TOTALS																			

<sup>\*</sup> As no investigation is conducted when a carrier has subscribed to Expedited PIC Switchback service, it would not be apparent whether or not the change was valid.

NOTE 1: The EPSS designation only reflects use of the EPSS FID to track unauthorized changes, however, the numbers count the cases in which the end user states that there has been a change without their request.

IC = Interconnection Carrier

CIC = Carrier Identification Code

UPIC = Unauthorized PIC Change

EPSS = Expedited PIC Switchback Service
