Dear Ms. Isler,

In reference to Docket No. 020803-TC, we would like to amend the settlement proposal to the Commission on October 3, 2002 by including a waiver of objection statement. Donatella Communications LLC and CCM Inc. agree to waive any objection to the administrative cancellation of its certificate should it fail to pay in accordance with its settlement offer. If, however, there is a factual dispute as to the manner or level of compliance with any provision in the settlement, it is our understanding that Commission staff will bring the matter to the Commission for consideration.

In addition, Crystal Clear Mgt. Inc. was recently notified that Donatella Communications LLC owed the commission \$1.37 in past due charges from the 2001 Regulatory Assessment Fee and has enclosed a check for the amount of \$1.37 to satisfy that past due amount.

Sincerely,

Christopher B. Cain
Vice President
CCM Inc.

Dear Ms. Isler:

Crystal Clear Management was recently notified that Docket No 020803-TC was opened for Donatella Communications LLC. For non-payment of the 2001 Regulatory Assessment Fee and for not providing updated address and contact person.

First, attached is our check, along with any interest charges and the Regulatory Assessment Fee. Crystal Clear Management Inc. has taken the corrective steps to prevent this oversight again. We have taken over the responsibility of paying these fees for Donatella Communications LLC. We are now aware that these fees are due by January 30 of every year.

Second of all a staff member was to notify the Commission of our new address and status with Donatella Communication LLC. For some reason this was not completed. This was a complete oversight. We believed all these fees were being paid at the Palm Beach Office and they thought we took care of them. We have corrected the problem and taken over entire operation. We also realize that we are to send correct address changes within 10 days and you may be assured that this problem will not happen again. Attached is our address and direct liaison and phone number for any future correspondents.

Last but not least in lieu of the \$1000.00 fine imposed for these rule violations, Donatella Communications and CCM Inc. offer a \$200.00 settlement. We believe that this is a fair resolution to these rule violations and respectfully request that the Commission accept it. We also understand that if the commission accepts the \$200.00 it must be paid within 14 calendar days from the date of the order accepting the settlement.

Sincerely,

Michael Shepherd
President
CCM Inc.
