Notice to Customers of Southlake Utilities, Inc.,
of Acknowledgment by the Florida Public Service Commission
of Name Change

Docket No. 020775-WS

Dated: _____, 2003

Dear Customer:

On July 22, 2002, Southlake Utilities, Inc. ("Southlake"), and Southlake Waterworks, L.L.C. ("Water Works"), filed an Application with the Florida Public Service Commission ("Commission") for acknowledgment of corporate reorganization and an application for the approval of a name change. Southlake undertook a two phase reorganization of its organizational structure which added Water Works as a wholly-owned subsidiary of Southlake and eliminated several intermediate companies from the organizational structure. As a part of this implementation of the corporate reorganization, the customers will now be served directly by Water Works. Water Works has been authorized to use the name "Southlake Utilities." There is no change to the ultimate ownership or control of the utility or any change in the principal officers, the address, or the operation personnel. The Commission acknowledged the corporate reorganization, the name change, and the use of the name "Southlake Utilities" for the utility service provider in Order No. _____. Water Works' address and telephone number are as follows:
