Ruth, I just checked American's records and found that they are paid up through 2001 and they've filed for bankruptcy. Therefore, it is OK to open a bankruptcy docket:

Bankruptcy Cancellation by Florida Public Service Commission of IXC Certificate No. 4826 issued to American Long Lines, Inc., Effective 10/25/02.

Thanks Ruth!

Paula, we received a letter from Patton Boggs law firm advising of corporate dissolution of Easton and American Long Lines. I did some research and found that Easton was granted bankruptcy cancellation in docket 020356. That docket was initiated from letter of same attorney and in that letter American is not mentioned. I just wanted to contact you for advice on whether or not we should open a docket to cancel American Long Lines, Inc. Please let me know. Thank you.
