RE: APPLICATION FOR WASTEWATER CERTIFICATE
KNIGHT ISLAND - ISLAND ENVIRONMENTAL UTILITY, INC.
P. O. BOX 5145, GROVE CITY, FL 34224

Dear Director:

We have received initial notice of subject application for an initial Certificate of Authorization for Waste Water Certificate. Since we own property and live on Knight Island, we are concerned with any activities that might negatively impact Real Estate values directly or indirectly, as well as the natural beauty and eco structure of Knight Island.

This requests specific details on the project that is the subject of this application. What specifically is planned, where would it be located, how will it impact my home and access thereto, what costs will we incur, what specific benefits will accrue to this application, etc., etc., etc. Obviously, any impact on the beach an/or noises and smells associated with subject activity should be enumerated.

If you need to contact me directly over the next few weeks, we can be reached in upstate New York at 518-989-6649. We look forward to your response.

Respectfully,

Charles F. Visich
