Dear Ms. Bayo,

This is in response to order No. PSC-02-1443-PAA-TI, issued on October 21, 2002 in Docket No. 020750-TI. Please consider this a protest and an offer of settlement to resolve this docket.

Quick Tel, Inc. is a new business that has not made any sales in Florida as of today. However, we wish to maintain our licensing for the future, as we would like to do business in Florida. Recently, we retained the services of Telecom Compliance Services to handle the regulatory filings for our company. We sent in the Regulatory Assessment Fee form along with payment on October 25, 2002. While this does not excuse us from not filing the paperwork in time, we have taken the appropriate step in insuring that this mistake does not happen in the future.

As mentioned above we sent in the paperwork along with a check for \$50.00 on October 25, 2002. We are sending in an additional \$17.50 to cover the penalty of \$12.50 and \$5.00 towards the interest.

In addition, we respectfully request that the Commission accepts our proposal to pay \$100.00 settlement instead of the \$500.00 penalty imposed. I understand that if the commission approves this settlement, the \$100.00 settlement must be paid within 14 calendar days from the date of issuance of the Order accepting this settlement.
