Attached is a letter from the CEO of Midwestern Telecommunications, Incorporated stating that the Price List submitted with the ALEC application was a draft and sent in error.

The company will submit its official Price List prior to providing service in Florida.

RE: Application of Midwestern Telecommunications, Inc.

Nancy,

Per our conversation earlier today, please disregard the Price List enclosed with our application. This is a draft copy sent in error. Midwestern will file an official price list upon certification and before providing service in Florida.

Thank you for your help earlier and your attention to this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "J. E. Holt", is written over the typed name and title.

Jerry E. Holt  
CEO
