2. Gulf Power Company ["Gulf Power", "Gulf", or "the Company"], by and through its undersigned attorney's and pursuant to Rule 25-22.006, Florida Administrative Code, hereby gives notice that it intends to request confidential classification for portions of Gulf Power's response to Staff's Fourth Set of Interrogatories to Gulf Power Company (Nos. 69-77). A copy of the interrogatories is attached hereto as exhibit "A".

3. Gulf Power Company's responses to interrogatories 71 - 74 contain proprietary and commercially sensitive information regarding competitive interests which are held confidential by Gulf Power Company. In addition, the responses disclose contractual terms and pricing under one or more contracts between Gulf and one or more vendors who provide transportation services to Gulf. Specifically, the responses call for the disclosure of transportation pricing for the delivery of fuel to one or more of Gulf's generating plants. Public release of the information submitted herewith would cause irreparable harm to Gulf Power Company and would impair Gulf's ability to contract for goods on favorable terms. Gulf asserts

that this information meets the requirements of section 366.093(a), (d) and (e), Florida Statutes.

4. A formal request for confidential classification will be filed within the time period specified in Rule 25-22.006(3)(a), Florida Administrative Code, if the Staff determines that the information will be retained by the Commission and not returned to Gulf Power Company within the specified time period. In the event the Staff determines that it will retain this information, Gulf Power Company requests to be notified, through the undersigned counsel, prior to the expiration of the period specified in Rule 25-22.006(3)(a).

Respectfully submitted,
