RE: Docket No. 021091-TL, Verizon Florida Inc. (Verizon) Petition for Expedited Review of a Growth Code Denial by NANPA for St. Petersburg.

On October 25, 2002, Verizon filed a petition requesting that the Commission overturn NANPA's decision to deny a growth code in the St. Petersburg switch (SPBGFLXA89H) located in the St. Petersburg rate center. In accordance with Commission Order PSC-01-1973-PCO-TL (Docket No. 010782-TL) which approved an expedited process for code denials, we have examined the Verizon petition, along with the confidential supplemental information, and have determined the following:

- 1) The carrier has demonstrated that it has a specific customer in need of immediate numbering resources;
2) The carrier has shown that it will be unable to provide services to the potential customer because of NANPA's denial of numbering resources; and
3) The potential customer cannot obtain service from the provider of its choice because the carrier does not have numbers available to fulfill the customer's needs.

Since the three required criteria of Order PSC-01-1973-PCO-TL have been met, please prepare an administrative Proposed Agency Action (PAA) Order to be issued within seven business days of this memorandum (November 6, 2002) as outlined in the expedited code denial process order. NANPA should be directed to provide Verizon the needed numbering resources to meet its customer's needs. Thirteen previous NANPA code denial orders have been issued using the new expedited process (See Docket Nos. 011235-TL, 011266-TL, 011312-TL, 011419-TL, 011528-TL, 020109-TL, 020236-TL, 020338-TL, 020395-TL, 020494-TL, 020641-TL, 020727-TL, and 020822-TL). If you have any questions, please call Shawn Kelly at 413-6433.
