Subject: RE: good afternoon

It is OK to open this docket to grant him a voluntary cancellation effective the date you received the request.

Paula, you will receive a copy of RAFs from Mailman Joey's from Fiscal. In the RAF form, the company has made a hand written note requesting cancellation of certificate. (TG709)

When you review this will you then initiate the cancellation with a request to establish docket? For now I have placed this filing as undocketed.

Thanks.
