FPSC-COMMISSION CLERK

TO: TAMELA JEFFERSON
AT Public Service Commission;
FROM: Dallas Merritt

RE: A+D Communications.

Thank you for cancelling the Cert. A+D communications
from your records. We have not operated in any
capacity under A+D communication since the
beginning of 2001. I had contacted someone
in Tallahassee about the closing down of all phones
in the business. My letter of cancellation has been
misplaced.

Thank you.

Dallas Merritt
