ORIGINAL

We'll use this e-mail to make the change to the docket title.

The change to the docket title will show up on the Web site once we make the change in CMS.

Kathleen, is the title I put in correct (for two amendments)? If so, we can make sure it gets changed to include three instead of two.

Kay, other than a memo to make this correction, do you require anything more? Also, do changes to CMS result in changes to the Commission website, or do we have to make separate changes?

OK, you are right...for some reason Atlanta included the UNE combined amendment with the original agreement. I can file a corrected letter.

I guess case management is different from the website.

I show three amendments on this. Maybe one isn't supposed to be included?

1. Unbundled Copper Loop - Non Designed (signed by BST on 10/10/01)
2. Ordinarily Combined UNE Combinations (5.4 replaced in entirety.) (signed by BST on 07/25/02)
3. Exhibits A and F of Attachment 1, Exhibit C of Attachment 2, Exhibit A of Attachment 3, etc. (signed by BST on 4/11/02)

As for the title, Case Management shows it as:

"Request for approval of adoption of existing interconnection, unbundling,

AUS	___
CAF	___
CMP	___
COM	___
CTR	___
ECR	___
GCL	___
OPC	___
MMS	___
SEC	___
OTH	___

resale, and collocation agreement and two amendments between BellSouth Telecommunications, Inc. and U.S. South Communications, Inc. by DSLnet Communications, LLC."

I'm forwarding this to Kay Flynn too so someone down there can make corrections as needed.

I show the adopted agreement and two amendments. Also, I am not sure how you want this docket title to read on the FPSC website but as it reads currently, Request for approval of amendment to existing interconnection, unbundling, resale, and collocation agreement between BellSouth Telecommunications, Inc. and DSLnet Communications, LLC., is incorrect. Can you correct this. thanks.

Kathleen, can you please verify the number of Amendments filed with this adoption? Your letter says two amendments, but I show three were actually filed.

I am filing a CASR revision in order to give you time to research and reply.

Thank you,
