Re: Docket No. 020745-SU - Application for certificate to provide wastewater service in Charlotte County by Island Environmental Utility, Inc.

Dear Mr. Stafford:

Thank you for your letter dated August 27, 2002, regarding the application filed in the above-referenced docket. In your letter, you indicated that you object to Island Environmental Utility, Inc.'s application to provide wastewater service. Because we have received a protest to this application from Bocilla Utilities, Inc., the docket has been scheduled for a formal hearing on October 14, 2003.

However, in the event that Island Environmental and Bocilla settle their dispute, the Commission needs to know your intent regarding your objection to this application. If you choose to pursue the objection, you may request a formal hearing at which you will be required to provide testimony and other evidence to support your protest. Although the Commission allows individuals to represent themselves at hearing, you may wish to hire an attorney to represent you.

Please advise this Commission by December 15, 2002 if you intend to pursue your objection and wish to request a formal hearing. Your request should be made in writing and should be addressed to Blanca Bayó, Director, Division of Commission Clerk and Administrative Services, Florida Public Service Commission, 2540 Shumard Oak Boulevard, Tallahassee, Florida 32399-0850. If you choose to respond to this letter to request a hearing, please reference Docket No. 020745-SU on your letter. If we do not hear from you by December 15, 2002, we will assume that you do not wish to pursue a formal hearing and your letter will be placed on the correspondence side of the docket file in this case for informational purposes.

Re: Docket No. 020745-SU - Application for certificate to provide wastewater service in Charlotte County by Island Environmental Utility, Inc.

Dear Mr. and Ms. Thompson:

Thank you for your letter dated September 11, 2002, regarding the application filed in the above-referenced docket. In your letter, you indicated that you object to Island Environmental Utility, Inc.'s application to provide wastewater service. Because we have received a protest to this application from Bocilla Utilities, Inc., the docket has been scheduled for a formal hearing on October 14, 2003.

However, in the event that Island Environmental and Bocilla settle their dispute, the Commission needs to know your intent regarding your objection to this application. If you choose to pursue the objection, you may request a formal hearing at which you will be required to provide testimony and other evidence to support your protest. Although the Commission allows individuals to represent themselves at hearing, you may wish to hire an attorney to represent you.

Please advise this Commission by December 15, 2002 if you intend to pursue your objection and wish to request a formal hearing. Your request should be made in writing and should be addressed to Blanca Bayó, Director, Division of Commission Clerk and Administrative Services, Florida Public Service Commission, 2540 Shumard Oak Boulevard, Tallahassee, Florida 32399-0850.
