Subject: Dkt. 020786-WU

Good afternoon! I am working on my orders that were issued yesterday and I need your help. Order PSC-02-1567-FOF-WU was issued in the above docket, which approved the transfer of the facilities of Edgewood Estates in Columbia County to the City of Lake City and cancels Certificate 408-W. My question is what date do I use for the "inactive date" in MCD? The ordering paragraph does not state the date that I need (this should always be stated here). I see on page one of the order a date of August 1, 2002 mentioned that the City began maintaining the system and billing the customers or do I use the date that the order was issued? Please advise as soon as you can as I need to update MCD accordingly. Thanks for your help in this matter. Nonnye
