ORIGINAL

I'll add "The" to the company name in this docket and put periods after each letter in "LLP" in the company name. Both corrections are based on Secy of State documentation attached to the application.

I thought we were not going to worry about the periods since corps advised us they didn't worried about a period or not. I'll tell cca to correct by copy of this memo.

Kay, could you put a period behind the L and L and C (L.L.C.), ohhh and a "The" in front of Sunshine in the docket title of 021136-TX. Thanks I know the name in the application doesn't have this but that is the way Corps has it. Thank again.

Importance: High

Name on recommendation does not match Secretary of State documentation. I need to know which is correct.
