Re: Docket: 020409-SU- Utilities,Inc. of Sandalhaven

The proposed rate increase for residential customers...are very excessive!  
"Interim rate" - 38.8%... "final rate - 53.3%... are outrageous.  
Yes, we feel a moderate rate increase would be justified...and acceptable..  
However..make it reasonable.

Not sure what is meant by "interim rate" and "final rate."

We will be unable to attend the meeting unfortunately..but let's hope  
A more reasonable rate will suffice in order to keep the company in  
Business.
