**Re: Docket No. 020408-SU - Application for rate increase in Seminole County by Alafaya Utilities, Inc.**

Dear Mr. Friedman:

We have received your letter dated November 22, 2002, requesting an extension of time to correct the minimum filing requirement (MFR) deficiencies. You requested that the due date for filing the responses be extended to December 20, 2002, in order to allow the utility additional time to prepare an original cost study. By this letter, your request is hereby granted. Your petition will not be deemed filed until the deficiencies identified in staff's October 24, 2002, letter have been corrected.

Sincerely,

Timothy Devlin  
Director
