RE: Docket No. 020746-WU, Application for certificate to provide water service in Charlotte County by Knight Water Utility, Inc.

On July 17, 2002, an application for an original water certificate was filed on behalf of Knight Water Utility, Inc. (Knight). On December 2, 2002, a Notice of Voluntary Dismissal was subsequently filed on behalf of Knight.

Section 2.07(C)(5)(d), Administrative Procedures Manual, grants the Division of the Commission Clerk and Administrative Services (CCA) the authority to administratively close dockets where the applicant seeks to withdraw its initial pleading upon the joint recommendation of the OPR division and the Office of the General Counsel.

Staff has determined that there are no pending issues that need to be addressed by the Commission regarding the filing, no request for refund of filing fee has been made, and no agency action has been taken. Therefore, staff jointly recommends that CCA hereby administratively close the docket.
