Dear Ms Bayo:

This is in Response to order NO PSC-02-169-PAA-TC issued on November 25, 2002, in Docket NO 020790-TC. Please consider this a protest and/or an offer of Settlement to resolve this docket.

Hitsu Inc is active at this time and wishes to keep its Certificate active. We Had Mailed out Cq# 4927 on 2/5/02 for the 2001 Regulatory Assessment fee. In Our mind the fee had been Paid but after getting these letters from the Public Service Commission, I Spoke to Paula Isler and looked into the matter with my CPA and discovered that the check has not Cleared Our Bank. The Company has already paid the 2001 Regulatory Assessment fee including penalty and interest charges of \$67.50 mailed on 11/4/2002 & received by the Commission on 11/15/2002 Confirmed by Paula Isler

Hitsu Inc agrees to waive any objection to the administrative Cancellation of its Certificate should it fail to pay in accordance with its settlement offer. If, however, there is a factual dispute as to the manner or level of compliance with any provision in the Settlement, it is our understanding that Commission Staff will bring the matter to the Commission for consideration.

The Company respectfully requests that the Commission accept its proposal to pay \$100.00 settlement instead of the \$500 penalty imposed. I understand that if the Commission approves this settlement, the \$100 settlement must be paid within 14 calendar days from the date of issuance of the Order accepting the settlement.

Sincerely,

~~Hitesh~~
