RE: Docket 020398-EQ - Proposed Revisions to Rule 25-22.082, F.A.C., Selection of Generating Capacity - **Revised Order of Presentation and Issues for Hearing**

VIA FACSIMILE

Pursuant to Order No. PSC-02-1514-PCO-EQ, a memorandum dated November 27, 2002, was distributed to all parties of record and interested persons, listing the order of presentation and issues for the hearing in this matter. The following is a revised list of the order of presentation and issues, which incorporates reply comments which were filed on December 2, 2002.

At the December 9, 2002, hearing, Commission staff will first present a summary of the proposed rule. Following the staff presentation, participants will have the opportunity to present evidence and argument on the issues and in the order identified herein. It may be necessary to impose time limits for presentations, depending upon the number of participants. Persons with similar presentations should combine to make one presentation. If time permits, persons making presentations will be subject to questions from other persons. Such questions shall be limited only to those necessary to clarify and understand the presenter's position. Persons who wish to participate at the hearing must register at the beginning of the hearing. The general order of presentation for discussion of the proposed rule shall be as follows:

1. Members of the Public
2. Investor-owned Electric Utilities
3. Office of Public Counsel
4. Florida Partnership for Affordable Competitive Energy (Green)
5. Florida Industrial Power Users Group
6. Florida Action Coalition Team
7. Florida Crystals
8. City of Tampa & Solid Waste Authority of Palm Beach County
9. Calpine Eastern Corporation
10. City of New Smyrna Beach Utilities Commission
11. Other interested persons

For the sake of efficiency, discussion on the following matters shall be permitted at the Commission's discretion as part of the parties' main presentation on the proposed rule, as referenced above:

DOCUMENT NUMBER-DATE

FPSC-COMMISSION CLERK

1. Should the rule be expanded to include non-Power Plant Siting Act plant additions?
2. Should an independent evaluator be retained to select the Request for Proposal (RFP) winner?
3. Should an IOU be held to its costs contained in the RFP for the life of the project?
4. Should RFP application fees be reduced for local government entities?
5. Should an IOU be allowed to perform an electronic auction in lieu of an RFP process?

Order No. PSC-02-15 14-PCO-EQ set forth a number of additional matters for which comments were solicited, namely: (1) bid protest and dispute resolution; (2) the need for an equity penalty or adjustment; (3) utility staffing of bid proposal evaluation; and (4) sharing of benefits flowing from under-budget self-build projects. Discussion on these items shall follow the main rule presentations discussed above, with the following general order of presentation:

1. Members of the Public
2. Investor-owned Electric Utilities
3. Office of Public Counsel
4. Florida Partnership for Affordable Competitive Energy
5. Florida Action Coalition Team
6. Calpine Eastern Corporation
7. Other interested persons

All discussion will be conducted at the Commission's discretion. Additional issues may be identified by the Commission at the hearing. If you have any questions regarding the hearing procedure, please call Jennifer Brubaker at (850) 413-6228.
