Re: PSC Docket No. 021142-WU, Application by AquaSource for Amendment of Certificate No. 441-W to extend water service area for the 48 Estates System in Lake County.

Dear Mr. Eubanks:

Enclosed is a copy of the application of AquaSource for amendment of a water certificate in Lake County. Pursuant to the Memorandum of Understanding between the Department of Community Affairs (DCA) and the Public Service Commission (PSC), the DCA has agreed to provide input on need for service and comprehensive plan consistency on applications for amendments or original certificates filed with the PSC.

The filing of AquaSource is the sixty-nineth filing to receive this treatment. The staff requests that a response be received by January 15, 2002. Please note that the response should be addressed to the Division of the Commission Clerk and Administrative Services, 2540 Shumard Oak Boulevard, Tallahassee, FL 32399-0850, with the docket numbers highlighted for reference by the Commission. If this application is protested within the next 30 days, the docket will be set for hearing. Should this happen, the DCA will be updated by the PSC staff assigned to the case.

The staff of the Commission is looking forward to receiving the additional input from the DCA regarding the application. If there are any questions, please feel free to contact Richard Redemann at 850/413-6999.
