Re: Docket No.: 021066-WS – Investigation into Proposed Sale of Florida Water Services Corporation

Dear Ms. Daniel:

Our law firm represents the Florida Water Services Authority. I have just received your November 22, 2002 request for information from the Authority concerning the proposed purchase of assets from Florida Water Services Corporation. Because of the extraordinary crush of requests that the Authority is handling it has been difficult to complete your requests by the suggested date. Pursuant to our telephone conversation of this morning, I hereby request on behalf of the Authority a one week extension on our time in which to respond to your questions. I believe that the additional time granted will be sufficient to completely answer the questions which you posed.

Thank you for your understanding and cooperation. If you have any additional questions or actions, please include me on the information list.

Sincerely,

AKERMAN SENTERFITT
