RE: Application form for authority to provide **Interexchange Telecommunications Service** between points within the state of Florida (\$250 – check # 1127).

To Whom It May Concern:

Please find the attached application for the above referenced certification services to be approved by your department. We have enclosed both applications, which include the original and six (6) copies, along with the non-refundable fees. We appreciate that the review of our applications be made so that we can offer the services under Florida Public Service Commission guidelines.

If you have any questions, please do not hesitate to contact me at 561-852-1872 Ext.307 or 561-482-9447 or email me at lgarvin@auuba.net.

Sincerely Truly Yours,

John Garvin, President
