Melinda:

We would like to meet on January 30th if that works for staff. Next week has become jammed for me, but also UKI wants to be ready for the meeting and the extra time will really help. I am sending this request by separate letter as well.

Renata is shipping to me 40 TPV tapes which by her count is only 4 short of the missing tapes.

Apparently the other 4 are being retrieved as we speak. I will deliver them as soon as possible.

Renata also sent to me the package of CAF forms Paul had provided at the earlier meeting. I had totally forgotten about his foresight in giving them to UKI, which is the reason I had asked for additional CAF logs. I believe we have all we need now to provide the missing responses.
