Oh, I thought you were talking about the postmark of the RAF. Yes it was postmarked after 1/30/02.

By looking at the envelope that the letter/petition came in. If it has been discarded, then I guess you only have the date received to go by. I believe it was probably mailed after 1/30, since today is 2/28.

Only if it was postmarked by 1/30/02, the due date of the RAF. Otherwise, it is effective the date received by the Commission.

Hi Paula. We have an application from Edge Connections, Inc. to abandon authority to provide local and intrastate interexchange telecommunications services in Florida. Are they paid up?

Not necessarily. Sometimes the company may be discontinuing certain services and not all their services, so I suggest you call the company and ask them whether they want the certificate canceled.
