Importance: High

Staff requests permission to modify its recommendation for Docket No. 020009-WU, which the Commission will take up as Item No. 5 on the December 2, 2002, Agenda. Two words were inadvertently included in the recommendation statement at page 5, and staff would like to modify the recommendation as shown below in legislative format:

ISSUE 1: Does the complaint filed by Ms. Georgina Giallanza against Florida Water Services Corporation state a basis upon which relief may be granted by the Florida Public Service Commission?

RECOMMENDATION: No. The complaint does not state a basis upon which relief may be granted. Staff therefore recommends that the complaint should be dismissed ~~without prejudice~~ on the Commission's own motion, and that the docket should be closed. (BRUBAKER, REDEMANN, LOWERY)

The last sentence of the first full paragraph on page 7 should likewise be modified as follows:

CCA Official Filing:

11/26/02***2:20 PM*****Kay Flynn*****2**

Staff therefore recommends that the portion of Ms. Giallanza's complaint dealing with FWSC's refusal to provide service should be dismissed ~~without prejudice~~ on the Commission's own motion.

Similarly, the last sentence of the second full paragraph on page 8 should be modified as follows:

Staff therefore recommends that the portion of Ms. Giallanza's complaint concerning the presence of FWSC's facilities on her property should be dismissed ~~without prejudice~~ on the Commission's own motion.

Please advise if you have any questions or concerns regarding this request - thank you.
